Objective

Computer science graduate with skilled in HTML, CSS, and SQL, Java and knowledge in manual testing and testing types and terminologies. Also with Strong communication, adaptability, problem-solving, with relevant certificates.

Education

Bachelor Of Engineering | Visvesvaraya Technological University   2019-2023
   Sambhram Institute of Technology   Bengaluru

- Major: Computer Science | Grade :7.7

Skills

- **Programing Languages:** Javascript, HTML, CSS, Java, PHP, SQL

- **Technologies:** Wordpress, Elementor, WP page builder, WP core functions,Hooks, Filters, custom theme , MySQL, Manual Testing, Git

Experience

Web Development & Designing   Oct 2022 - Nov 2022
   The Spark Foundation   *Bengaluru, India*

As a Web developer Intern, I worked on a project where I Collaborated closely with the design team to translate mockups into functional websites using HTML, CSS PHP and MySQL. This hands-on experience enhanced my proficiency in web development and design principles.

Projects

Basic Banking System

- Directed the development of a basic secure banking management system with admin and customer logins, focusing on database management for efficient transactions and user experience.

- Streamlined transaction processes through optimized database management, enhancing operational efficiency.

- Designed user-friendly interfaces for improved navigation, resulting in enhanced customer satisfaction.

The Real Time Voice Cloning

- Led the creation of a real-time voice cloning system leveraging deep learning and neural networks for instant voice replication.

- Successfully deployed a real-time voice cloning solution with high accuracy and efficiency, revolutionizing entertainment and virtual assistant industries.

- Provided technical leadership, guiding the development team through challenges and achieving project milestones

Certifications

- Java Certification from Udemy
- Web Development Certification from Internshala
- SQL certified from Udemy
- HTML, CSS and PHP from Udemy.

languages

- **English** (Fluent), **Kannada** (Native), Hindi (Fluent), Telugu (Intermediate)
